TITLES I AND IV, PUBLIC LAW 480: TOTAL AMOUNTS PROGRAMMED AND SHIPPED THROUGH DECEMBER 31, 1966, BY COUNTRY AND COMMODITY.

This report contains total amounts programmed, by commodity, for each country under Titles I and IV, Public Law 480 agreements signed through December 31, 1966. This SDS-1-1967 also contains quantity and estimated market value of shipments by 6-month periods from July 1, 1963 through December 31, 1966. Shipments by 6-month periods from January 1, 1955 through June 30, 1959 are provided in SDS-7-61 and from July 1, 1959 through June 30, 1963 in SDS-11-63 revised.

The amount programmed is the amount specified in the agreement, exclusive of ocean transportation, as modified by purchase authorization transactions. The quantity shipped is based on tonnage shown on ocean bills of lading. The value is estimated export market value, basis U.S. port of export. Estimates are revised to reflect actual amounts financed by CCC when this information is obtained for completed purchase authorizations. These revisions account for most differences from amounts shown on previous reports.
